Introduction

Academia is a student information system (SIS) that helps to automate and manage the operations and learning needs effectively and efficiently.

Uses of Academia

1. Access Academic Information

- View course schedules, grades, and attendance
- Monitor academic progress in real-time

2. Personal Information Management

- Update contact details and emergency info
- Check and manage your profile

3. Track Graduation Requirements

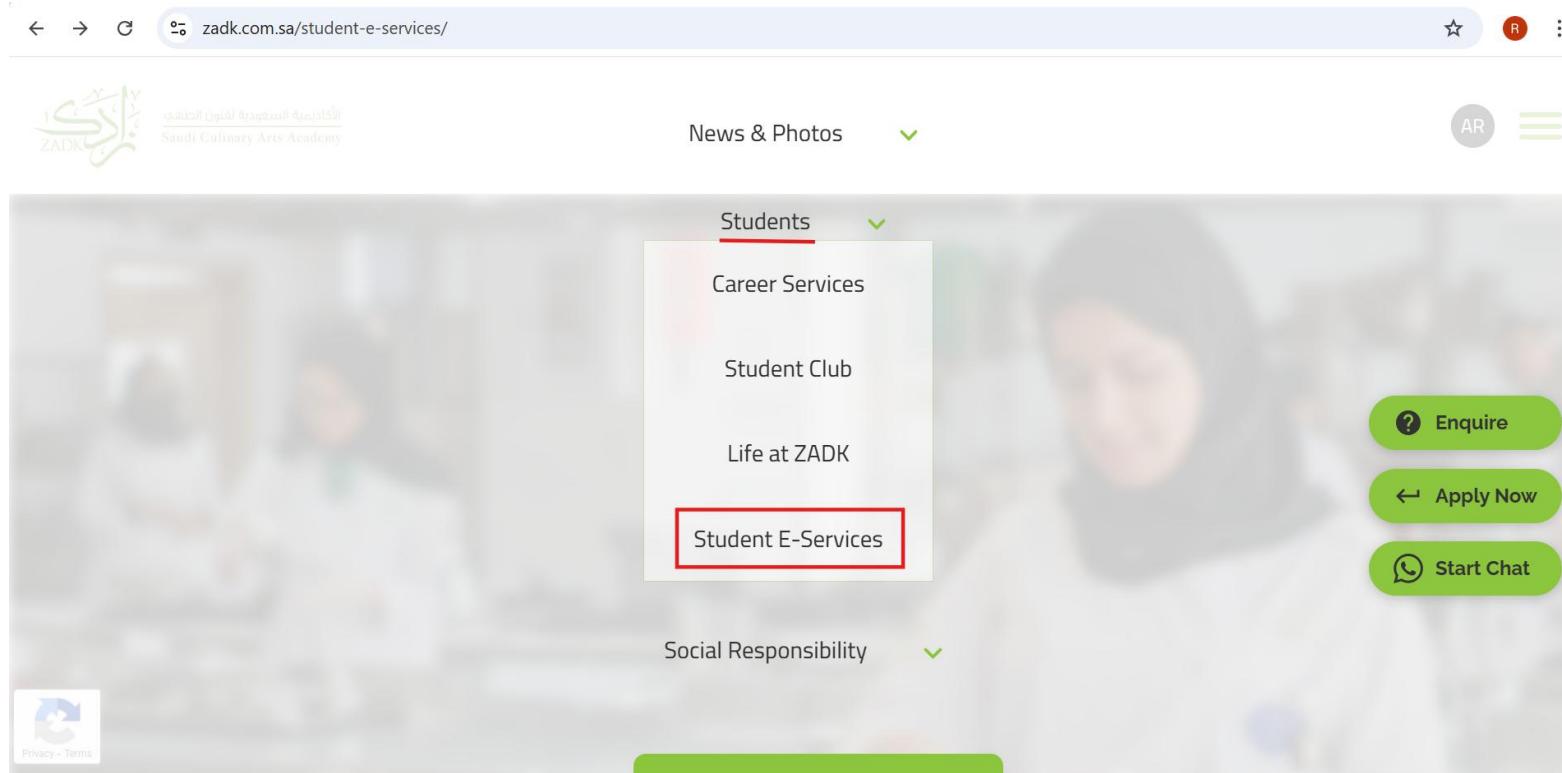

- Monitor credit hours, completed courses, and degree progress

4. Raise Requests

Where can I find Academia link?

You can access Academia webpage through the ZADK website or by the link: <https://zadk.academiaerp.com/>

The screenshot shows a web browser displaying the ZADK website at zadk.com.sa/student-e-services/. The page has a light gray background with a large, slightly blurred image of a person in the center. At the top, there is a navigation bar with icons for back, forward, and search, followed by the URL. The ZADK logo and name are on the left. A green header bar at the top of the content area contains the text 'News & Photos' and a dropdown arrow. Below this is a sidebar with several menu items: 'Students' (underlined in red), 'Career Services', 'Student Club', 'Life at ZADK', and 'Student E-Services' (which is highlighted with a red rectangular box). Further down, there is a 'Social Responsibility' section with a dropdown arrow. On the right side of the page, there is a vertical sidebar with three green buttons: 'Enquire' (with a question mark icon), 'Apply Now' (with a left arrow icon), and 'Start Chat' (with a phone icon). The bottom of the page features a green footer bar with the ZADK logo and a 'Privacy - Terms' link.
